### Session 1 - Software for beginners (30 minutes)

Title: Purple Pen – why is it saving everyone so much time to produce courses?

Presenter: Brenton Gray

Course set so much faster with software so intuitive and clever that this session is almost not required. Find out why regular setters are using Purple Pen as their software of choice (and its free!)

### Session 2 - Course Setting Intermediate (45 minutes)

Title: Good setting vs bad setting – it is all in the legs. Learn how to set interesting legs and fun and challenging courses on any map.

Presenter: Anna Sheldon

### Break (15 mins)

### Session 3 – Course setting practice (30 to 45 minutes)

Choose either to refine your Purple Pen skills or set legs for the group to review.

Session concludes approx. 3:15pm allowing you plenty of time to enjoy the Saturday afternoon Park event at Rocks Riverside for the Saturday (approx 400metres away as the shark swims).
