There are 2 very easy and 2 easy courses. If you wish to do more than one course on the day, please enter online. If you go out a second time it will only cost an extra \$2. However, the website is not able to handle this, so please ignore the 'amount owing' in your registration email. The correct amount will be charged on the day.

Note for experienced navigators - the Hard 1 is a coaching exercise.

Note for Newcomers: Very easy is recommended for all 11 years and under, and inexperienced 12 and 13 year olds.

Easy is recommended for all 13 and under and all other inexperienced participants.

Orienteering is about confidence. A general guide for when to push up to the next level of difficulty is when the level you are on is getting boring.

*****NOTE***** (for everyone)

There are, unfortunately, jumping cactuses at Mt Peel. Leg covering is HIGHLY RECOMMENDED.

To remove a jumping cactus, do NOT touch it with your hands. Use 2 sticks to scrape it off.
