**Organiser** Range Runners Orienteering Club

This event is going ahead, but please note some IMPORTANT CHANGES from normal event routines: there will be NO WATER PROVIDED on the courses, you must carry your own. There will be no results display at the event. There will be NO RECYCLING of maps. Please pre-enter here, or email [rroc@oq.asn.au](mailto:rroc@oq.asn.au) so we can ensure we have enough maps. Come and run on parts of the map not seen since last century! For all the devastation caused by the bushfires, there has been a tiny bit of good. Come for a run on this great complex granite map. Courses for all ages and abilities, newcomers very welcome. Starts from 9-10am. See attached flyer for more information
