

Request for Tender by OQ – QUOTE DUE BY OCT 30, 2017

RIPLEY RIFLE RANGE

<u>Specification</u>	<u>Details</u>
Map Name	Ripley Rifle Range
New map or remap?	New map as old map will be extended considerably into more complex areas.
Map Required	Attached boundaries. The test long course is 8km and
Map Scale	1:10,000
Area of map	Approx 3.0 square kilometres.
Is there a georeferenced base map?	No. Geo-referencing is required.
Is there a base map in OCAD 10 or higher?	No.
Will map be extended in future?	Unlikely
Is there Lidar or other data available for area?	YES. ICC provides excellent level of Lidar data (generally freely available). See attached. Note it ends in the attached as moves into Logan area.
What is vegetation?	On the hillside is generally eucalyptus - lightly wooded and very little grass and good underfoot. There is considerable rock detail on almost every hillside facing to the North. (Very little over ridge on Southern Side). Open areas in flat terrain generally longish grass, no rock, some termite mounds, only a little erosion (Wivenhoe like).
Deadline for map.	March 20 2018.
Variance allowed to quote	Up to 10% without requiring approval. Any increase in quote beyond this level requires written approval from OQ Mapping Officer.
First event use.	OY 2018
Club to which map reverts after first event.	Ugly Gully
Distance from Brisbane GPO.	45km

Note for Sprint Maps quotes are generally related to number of buildings and complexity therein.

SEE OVER

In your quote, please separate cost of:

- Production of Map including expected number of days field work.
- Travel and accommodation. Note travel is reimbursed at 30 cents per kilometre

Please note the following OQ Mapping Conditions.

- 1) Maps should be drawn to ISOM 2017 and ISSOM 2007 specifications

- 2) *The mapper should allow, as part of their quote, the time to make any map changes as requested by controller of first event up to a maximum of one half day field work and map edits. Such changes to be provided by the controller to the mapper at least one month prior to event.*
- 3) *After the completion of first event on the map, the OCAD map file is to be provided to the OQ Mapping Officer. Any areas on map not mapped in detail should be clearly described as such.*
- 4) *Payment Terms. 80% of Map production costs and 100% of travel costs upon sighting of map in near final form. The remaining 20% after completion of first event and handover of OCAD map file.*
- 5) *The mapper grants Orienteering Queensland ownership of copyright. OQ reciprocally will acknowledge the original and subsequent mappers whenever using the map.*
- 6) *Individual clubs are responsible for any costs of maintaining maps and any major or minor updates using their own volunteers or as they see fit. Clubs are expected to inform the original mapper of any changes.*
