Orienteering is all about the map, not the compass! It's the sport of navigating in unknown terrain using a detailed map. This event has short courses for youngsters in parkland, plus long courses through streets, reserves and parkland throughout Pacific Pines.

What do I need to do?

Bring your family on the day between 08:45 and 10:45, wear sensible shoes and sun protection. Bring water and a compass if you have one. If you are planning to bring a group, please let us know so that we can print extra maps.
