Orienteering is all about the map, not the compass! Orienteering is the sport of navigating in unknown terrain using a detailed map. This event has short courses for youngsters in parkland, plus long courses through streets, reserves and parkland throughout Pacific Pines.

MTB Option: you are welcome to ride the longer courses at this event on a suitable off-road bicycle.

What do I need to do?

Bring your family on the day between 08:30 and 10:30, wear sensible shoes and sun protection. Bring water and a compass if you have one. If you are planning to bring a group, please let us know so that we can print extra maps.

*This is a street orienteering event plus easy parkland courses designed for youngsters.
It's nothing like that boring compass exercise they made you do at school camp!*
