Mapping	Brenton Gray and Murray Haines (part year)
Member Protection Information Officers	James Mitchell
Schools Committee	Reid Moran
Sporting Schools Coordinators	Felicity Crosato, Gordon Bossley
Statistician	John Cooper (part year)
Web-site	Rob Crosato

President's Report

Orienteering is a sport run by volunteers. There is a small but active Management Committee, the Operations Committee with input from the clubs and paid officers and all the individual club positions as well as those volunteers who run, course set and oversee our various events. I would like to thank all our volunteers. A big thank you to Tim McIntyre who stepped down as President, for all his time and effort.

Unfortunately we are unable to fill all positions and I know some clubs are also finding it difficult to get volunteers to take up the various roles required but I would also like to take this opportunity as President to say I am disappointed in some of the threatening and abusive calls and emails that not only I but other volunteers have received. If anyone has a genuine complaint, please voice it or take on a management position as volunteer to be able to do something about it but not be threatening or abusive.

Another problem has been communication, not only at club level but between the various sub groups. Hopefully this will sort itself out in 2020.

Orienteering in Queensland with the help of clubs state-wide continues to provide a range of outdoor orienteering activities not only in events but training in course setting, controlling events and coaching. We have street, park, bush and mountain bike events as well as night navigation all run by volunteers. Some events have certainly been made easier with the addition of MapRun and now the newer version MaprunF. Some of our members have put in a lot of time running and setting events especially Night Nav as well as our major events and I thank them sincerely.

2019 has continued to focus on junior activities. This includes junior coaching camps at all levels as well as Sporting Schools and High School activities. The successful program in the Northwest area has added additional new members. The sport strongly depends on and needs new members.

It is pleasing how much has been happening with regional development and activities.

There is to be a change in funding which will hopefully not impact too greatly on our activities. We get income from events, membership fees and grants including the state government grant. Fees also have to be paid to Orienteering Australia at a national level.

It is exciting to see our juniors progress to elite level and represent Queensland by being part of the Cyclones and also representing Australia at International events.

Queenslanders also were represented at the Oceania Championships.

Congratulations to all those who competed at club, state, national and international levels.

I wish all orienteers a successful 2020, win or lose we are lucky to just be out there and compete. The saying "give me a map and it is magic" is so true.

Judi Hay – OQ President

2019 Annual Awards

President's Award

The Orienteering Queensland President's Award for 2019 was presented to John Cooper recognising his significant contribution to orienteering statistics at Club and State level.

Previous Recipients of the President's Award:

2000 - Tony Zandegiacomo	Presented by Ian Taylor
2001 - Eric Andrews and Liz Bourne	Presented by Tim McIntyre
2002 - Cavanagh Family	Presented by Tim McIntyre
2003 - Tim McIntyre	Presented by Chris Spriggs
2004 - Anna Sheldon	Presented by Chris Spriggs
2005 - Rob Simson	Presented by Chris Spriggs
2006 - Nola McIntyre	Presented by Greg Chatfield
2007 - Chris Spriggs	Presented by Greg Chatfield
2008 - Barbara Pope and Pam Cox	Presented by Greg Chatfield
2009 - Craig Steffens	Presented by Reid Moran
2010 - Sandy Cantwell	Presented by Reid Moran
2011 - Jen Woods	Presented by James Mitchell
2012 - Russell Jaycock & Linda Davis	Presented by James Mitchell
2013 - Mark Murray	Presented by James Mitchell
2014 - Rob Crosato	Presented by Tim McIntyre
2015 - Bryant Family	Presented by Tim McIntyre
2016 - Mark Petrie	Presented by Felicity Crosato
2017 – Felicity Crosato	Presented by Tim McIntyre
2018 - Wendy & Lance Read	Presented by Tim McIntyre
2019 – John Cooper	Presented by Judi Hay

Zonta's - 'Helen Lahey Orienteering Award'

No Award

Previous Recipients of the Zonta Award:

2000	Nola McIntyre	2006	Fiona Calabro	2012	Stacy Nottle
2001	Jay Mair	2007	Jen Woods	2013	Gail Campbell
2002	Lyn Thomas	2008	Robin Spriggs	2014	Su Yan Tay
2003	Helen Sherriff	2009	Liz Bourne	2015	Lynda Rapkins

2004	Liz Jarvis	2010	Joan Sheldon	2016	Anna Sheldon
2005	Wendy Read	2011	Felicity Crosato	2017	(No award)

Orienteer of the Year (OY) Awards

Best female	Su Yan Tay
Best male	Ryan Gray
Best junior result	Ryan Gray
Most improved	William Cox
Most improved runner up	Tom Schultz

Best male and female		
Juniors (up to 18)	Ryan Gray	Mikaela Gray
Seniors (19-34)	Simeon Burrill	Krystal Neumann
Veterans (35-59)	Mark Nemeth	Su Yan Tay
Super vets (60+) -	Greg Chatfield	Jacquie Rand
Best Very Easy	Callum Bryant	(No award)
Best Easy results	Adrian Garbellini	Cassy Reinbott
Best Moderate results	Dylan Bryant	Lucy Peljo

Junior Awards

Best junior performance at the Queensland Long Championships
Grant Reinbott

Junior of the Year Caroline Pigerre

Elite Awards

WOC Team 2018	Krystal Neumann
WOC Team 2018	Anna Sheldon
JWOC Team 2018	Caroline Pigerre
MTB WOC Team 2018	Joel Young

Coaching Award

Coach of the Year (No award)

Performance

Athlete Development, Training squads, Coaching, Coaching Accreditation, Selection, Queensland Schools Orienteering Team

Orienteering Queensland's Performance program was overseen by a number of people in 2019. Many of the activities were supported by our state government funding. Some of the activities conducted include:

- Conducting three coaching camps for juniors and seniors with over 150 participants.
- Supporting the Cyclones Squad members to attend the National Orienteering League and national coaching activities.
- Conducting twelve Level 0 coaching courses and one Level 1 coaching course.
- Assisting the Queensland Schools Committee with conducting the Queensland Schools Orienteering Championships and taking the Queensland Schools Team to attend the Australian Schools Championships in Wagga Wagga.
- Conduct four technical training sessions on course setting/event organising.
- Conduct one Level 1 and one Level 2 controller's course

Selections in National Teams included:

2019 World Orienteering Championships Team: Krystal Neumann and Anna Sheldon

2019 World Junior Orienteering Championships Team: Caroline Pigerre

2019 World Mountain Bike Orienteering Championships: Joel Young

Coaching Accreditation:

Coaching accreditation is being streamlined through direction from Orienteering Queensland. At a state level, we run training courses for Level 0 and Level 1 coaches, and members are encouraged to consider participating in these courses to not only aid others, but to develop their own skills.

At the end of 2019 the officially recognised number of Orienteering Queensland coaches was:

Level 1: 10

Level 2: 3

Level 3: 2

At the end of 2019 the officially recognised number of Orienteering Queensland controllers was:

Level 1: 7

Level 2: 3

Level 3: 6

Judith Hay – Acting Chair Performance

Promotion and Development

Promotion

Promotion of orienteering has focussed along three main pathways this year.

External Promotion:

-Articles have been published in numerous local newspapers reporting on the success of our junior and senior athletes in both Foot and MTB Orienteering and Rogaining at the national and international level.

-An online feed has been established with Clearinghouse for Sport – a daily national sports news feed viewed by upwards of 20,000 people from a wide variety of sports

-Publicity Flyers were designed for the major orienteering series (Come and Try Days, Ugly Gully Park O, Cyclones Sprint, North-West District Sport, Club Relays, Sunshine Coast Night Nav and Toowoomba Night Nav) and publicised widely through Facebook advertising. This attracted a large amount of interest from the wider public not already involved in orienteering and has seen a large increase in numbers at events.

-Through the efforts of Gordon Bossley relationships were developed between OQ and Scouts Queensland and the Cootha Mountain-bike Club resulting in several events and a Level O coaching course.

-Contact with a large number of schools developed through Sporting Schools and Events in their local area, resulted in the publication of many school newsletter articles promoting upcoming events and reporting on orienteering events within the school. Successes of junior orienteers at QSOC and QSOC were also forwarded to the schools for recognition in the wider school community.

-Inala Community Day: A Maze-O was set up and enjoyed by a wide variety of ethnic groups from the Inala Region, with follow up promotion in Community Newsletter

-Contact development with 33 Running and 18 Disability Support Providers re Map Run Parks and Park-O series

-Regional TV stories on Darling Downs Schools Team and Reinbott and Gannon twins successes organized by Felicity Crosato

Newcomer Retention:

-A tri-weekly Casual Orienteer's Bulletin is now being published containing event information, coaching tips, membership details and general beginner's information and is emailed to all people who enquire about orienteering via Facebook or the Website, who attend an event for the first time and non OQ members (over 180 in distribution list).

-Contact is being made with regular Night Nav participants, encouraging them to orienteering events.

-A hurdle in this area is the collection of contact details from newcomers at events, particularly email addresses. Clubs have been asked to help out by collecting these details at all events.

Internal Communication:

-The OQ Bulletin, which is distributed to over 650 people weekly, has been re-structured to include more event and people focused articles and more general interest stories to encourage interest. The Bulletin is now going out on Facebook (increasing its distribution by

a further 200 people) and back-copies from 2019 onwards are now available on the OQ website.

-OQ Facebook Page – every event is published as an event which people show their interest in. Many articles of interest are posted, some receiving high attention (likes, shares and comments). The number of followers has increased by almost 20% in the last 6 months to over 1,100, with peaks in following seen at times of paid adverts to targeted audiences. Followers see in their FB feed every article (including events) that are posted by OQ.

-Instagram: used occasionally to target younger OQ members regarding upcoming events
OQ Website: The News Blog Spot is populated with positive general interest stories to showcase activity as a sport

-Mailchimp Platform: contains a database of member and non-member details and is currently used to distribute the OQ Bulletin and emails from different OQ bodies, but it is currently being overhauled and investigated as a tool to more automate and regularize communications within the organization to help keep new-comers and members more informed and feel more valued.

Linda Burrige – Promotions Officer

Development

Thanks to the work of many clubs, the range and variety of local events continues to expand, attracting increasing participation through out the state. NightNav and MapRun events have now been organised in regional areas, giving increased opportunities beyond the existing park, street and bush events. Many clubs have been able to tap into external funding or their activities have been supported by their local Councils.

Most clubs are now self sufficient in terms of their equipment with increased investment in Sportident and related electronic gear. From a time when club equipment used to be brought to events in the back of cars, clubs now have their own trailers and some even have their own equipment sheds.

Regional Development

Continued support from Sport and Recreation Services has enabled a range of regional participation and development projects to be supported throughout the state during the year.

Cairns

Although no orienteering events were organised this year, some local club maps were updated, five more local schools were mapped and a Level 0 coaching course was run for teachers in November. Darren Osmond continues to push the benefits of orienteering by including the sport in his Outdoor Education sessions for local teachers.

Townsville

The Totally Tropical Orienteering Club conducted a variety of 17 events during the year, with continued good support for the club's very popular Urban Adventure series around Townsville. Although limited by the lack of suitable bush areas close to Townsville, the club offered an innovative program to keep local people involved in outdoor recreation. Another school map has been produced in Townsville as well as one of a school camp map near Ingham.

Mackay

An outdoor recreation club in Mackay, 21 Degrees South, expressed an interest in extending their activities to orienteering and Felicity and Rob Crosato were able to assist the club with two trips to Mackay where they ran a Level 0 workshop for teachers and guide leaders, an event organiser's workshop and produced 5 school and 4 park maps. They are currently working on some Street O maps.

The club is wanting to affiliate with OQ and will be a welcome addition to our network of clubs throughout the state.

Central Queensland

Thanks to the good work of Rob and Felicity Crosato, orienteering development was able to be expanded in Rockhampton and Yeppoon during the year. Some of the existing park maps in Rockhampton were georeferenced for use in MapRun events and a Come and Try It event conducted on one of them in February. Additional school maps were also produced in Rockhampton and Yeppoon and a Level O course conducted for teachers at the North Keppel Island Environmental Education Centre.

While it has been difficult to sustain a club in Rockhampton, there is now interest from local people and teachers who have been exposed to orienteering which will provide a good basis for future development.

A map has been made of the Environmental Education Centre on Boyne Island plus one of Canoe Point so orienteering activities will now be available to school groups from the region. Teachers from the Centre attended the Level O workshop in Rockhampton.

Sunshine Coast

A three year project to develop street and park orienteering on the Sunshine Coast, funded by an Australian Sports Commission Participation grant, was concluded this year. Nine local park O and bush events were conducted during the year and Night Nav was also introduced, with four events being conducted in the latter part of the year. The club also conducted four local and state standard MTBO events during the year. Involvement with local schools was also increased with a number of school maps being produced. A map of the Sunshine Coast university campus was also produced during the year to add to the variety of events being offered.

South West Queensland

The Crosatos have also greatly contributed to the development of orienteering in South West Queensland through further mapping and school activities. Coaching for students at Drillham and Dalby was undertaken in March as well as a park event being held in Dalby. An orienteering trial for South West School Sport was conducted at Columboola in April and a team attended the Darling Downs Schools trials in May. A sprint and bush event was conducted at Wandoan in June plus some coaching and an event at Drillham. A school holiday activity, funded by the local Council was conducted in Thargomindah in September on a previously made school map. Production of a town map is underway for use for MapRun activities.

Liz Bourne - Chair Development Committee

Technical

Numerous successful local and state events were hosted by our clubs.

Four successful championship races were held during the year, with great examples of Qld terrain.

The QLD Sprint Distance Champs were held at UQ Gatton Campus, hosted by Ugly Gully.

The QLD Long Distance Champs were hosted by Enoggeroos at Reedy Creek.

The QLD Middle Distance Champs were hosted by Ugly Gully at Maidenwell.

The QLD MTBO champs were hosted by MTBO at Killarney, Cullendore and Legume.

Level 1 and 2 controllers workshops were also held for foot orienteers. Several clubs ran course setting, event organising and use of SportIdent.

List of current accredited controllers (OA list – 19/12/2019)

Level	Name	Club	Expiry
1	Tony Bryant	Enoggeroos	30-Apr-20
1	Juliana de Nooy	Ugly Gully	31-Aug-21
1	Peter Effenev	Ugly Gully	30-Nov-23
1	Brenton Gray	Ugly Gully	30-Apr-20
1	Lance Read	Ugly Gully	30-Apr-20
1	Mark Roberts	Paradise Lost	30-Apr-20
1	Stuart Watt	Bullecourt Bolder Bounders	30-Apr-20
2	Greg Chatfield	Ugly Gully	3-Mar-21
2	Neil Simson	Toohey Forest	30-Nov-23
3/EA	Elizabeth Bourne	Bullecourt Bolder Bounders	31-Dec-19
3	Tim McIntyre	Ugly Gully	31-Dec-20
3	Mark Petrie	Sunshine orienteers	31-Dec-19
3	Robert Rapkins	Enoggeroos	31-Dec-19
3/EA	Anna Sheldon	Ugly Gully	31-Jan-22
3	Craig Steffens	Multi terrain bike orienteers	31-Dec-20

Anna Sheldon - Chair Technical Committee

Queensland Schools Orienteering Team

Australian Schools Championships – (New South Wales, 28th September – 6th October)

Another year of ASOC done and dusted but Qld will be good to go again in 12 months! I'm pretty sure the team feel the same, except for our six graduands, who forbid us from mentioning anything about it being their last Australian School's Orienteering Championships. These were Jaiden Fidge, Julia and Nina Gannon, Ryan Gray and Blake and Grant Reinbott. All have been in the Qld team since Juniors.

Stand out performances were:

- Grant Reinbott 1st in Senior Boys Sprint.
- Mikaela Gray 2nd Australian in Junior Girls Sprint.
- Blake Reinbott 3rd in Senior Boys Sprint.
- Grant and Blake Reinbott and Ryan Gray 3rd in Senior Boys Relay.

The Senior Boys outstanding performances ensured they took the gold medals in both the Team Sprint and Long Distance. The Junior Girls took the Team bronze in the same events and the Senior girls earned a silver medal in the Team Long Distance. Grant Reinbott and Mikaela Gray were chosen in the 2019 Schools Honour Team.

NSW won this year for the first time since 2002 with outstanding performances from their Juniors. ACT were relegated to 3rd having won ASOC for the past two years. Qld finished in 5th place just one point behind Victoria and SA were 2nd. There were some encouraging performances from our Qld Schools Team over the course of the 8 days of competition and their behaviour was exemplary.

Marion Burrill on behalf of Neil Gannon, Jack Neumann and Simeon Burrill.

Sporting Schools Program

In the Gold Coast, Sunshine Coast and Brisbane area we worked with 17 schools in 2019. Estimated number of participants was 1433 students.

About 33% of them were repeat customers with some running significant-sized programs (St Catherines, Samford) or more than one (Silkwood). 7 new maps were drawn during the year.

Importantly, the Sporting Schools program and its success was the catalyst for the Northwest District Interschool Sport administration to accept our proposal to run orienteering as a Friday sport. This program was run by Tony Bryant and Winnie Oakhill for 12 weeks. School Sport administration acknowledged the risk profile of orienteering (compared to 'normal' sports, and that the effort required would warrant additional support so paid two teachers to attend and assist, thankfully both (Veronika Farrelly and Wendy Read) were absolutely capable.

We hope the hugely successful program will pay dividends in terms of interest from:

- participants who take their enthusiasm home to families
- other schools in the catchment
- other districts

As of December, we have an invitation to explore gala day orienteering, with potential for interschool orienteering as a direct result of the Sporting Schools relationship with Inala State School – Southern Scorpions district.

In the SEQ catchment, coaching was carried out by Thomas Garbellini, Tony Bryant, Karin Dudedeny and Gordon Bossley.

In regional Queensland, we worked with 7 schools with an estimated 670 students. Unfortunately 6 schools had to be declined due to lack of coaches in the area. Only one coach, Annette Rogers, was engaged as the majority of schools in 2019 ran their own programs with a qualified teacher. However, we engaged with a further 10 schools outside the sporting schools program resulting in 14 new school maps for the year.

Regional Development

Rob and Felicity travelled to Miles, Wandoan, Rockhampton, Mackay, Cairns, Boyne Island and Thargomindah to run workshops, events and coaching events.

Interest in orienteering in South West Queensland is booming, with 29 students participating in the first South West School Sport trial in more than 25 years. Fifteen of these students were subsequently selected into the Darling Downs Team to compete at the Qld Schools Championships, with a further 7 attending following a special invitation. In 2020, a team from the South West will officially attend the Qld Schools Championships. Two adults gained their Level 0 coaching qualification, and past junior Qld rep Kelsey Harvey is now teaching in the region and will manage both the SW School Sport team and the Qld team.

Development in Rockhampton is slow, but will hopefully pick up after the permanent courses are set up on the 5 park maps in the city. Radio publicity is good, and should bring results.

Mackay, on the other hand, is teeming with enthusiastic people with a fledgling Adventure Racing club, 21Degrees South, starting up in 2019. They have attended a Level 0 workshop

and an Event Organising workshop in large numbers (20 and 17 respectively). The Level 0 workshop was also attended by 5 Guide leaders who are now keen to offer orienteering to their girls. Four park maps have been made which will be used both for permanent MapRun courses and for events run by the new club. They will also have access to several new school maps for club events.

Cairns also struggles with numbers, but Darren Osmond continues to push for the sport both through the local schools and the Outdoor Ed programs. While no official events were run, a Level 0 course resulted in 5 attendees and 4 new school maps. Darren also ran a session for teachers including orienteering, raising more interest from a further two schools.

Thargomindah Council paid for a school holiday program, run by Felicity and Stacy Nottle. They were very interested in the idea of permanent courses as a tourist attraction, not only in Thargomindah but the surrounding towns as well. That idea will be followed up in 2020.

Felicity Crosato and Gordon Bossley – Sporting Schools Coordinators

Membership Statistics

There has been a small decrease in the number of memberships in 2019 compared to the previous year. This equates to a drop of 15 members. There was a 25% non-renewal rate from 2018 (131 members), offset largely by a 22% increase from new memberships during the year (116 members). The Far North Queensland club has ceased to operate.

Total Membership types by club (as at 31/10/2019)

Robert Crosato - Membership Officer

Mid-Week Orienteering Group

We organize Mid Week events every Thursday during the year from March to November, and have now eliminated events in February and December due to the heat and humidity. We will bring forward starting times to 10.30 – 11.00 a.m. in 2020, to avoid heat or extremes, while still avoiding peak hour traffic. We get about 15 - 40 participants each week depending on location and weather conditions. We have a good mix of park and bush events, and continue to have a relaxed approach to event management.

The events are organized by our regulars who mostly volunteer for one or more events each year, while others provide help and support. This is a very good way into getting into organizing events at the base level and help is always offered and guidelines are available. We organise events with minimum effort, but with full eye on professionalism to provide a top orienteering experience. Three Hard courses are always offered; Short, Medium and Long, although park events are only moderate level of difficulty. Seasonal conditions are taken into account when setting length and climb on courses. We do recognize the lesser experienced and offer instruction and advice when needed.

Additional Easy courses are set during school holidays and when we are sponsored by the Brisbane City Council GOLD programs. We had four GOLD and two GOLD 'n Kids events in 2019. We had massive attendances at the GOLD 'n Kids events with over 100 participants. This is actually too many for the Mid Week organisers and so we only have one GOLD 'n Kids event scheduled for 2020.

We vary the events as much as possible and are always on the look-out for new maps and areas. We had a couple of Mapruns this year as well, using own or borrowed mobile phones rather than punching controls. Sometimes BBQs are organized or we just socially intermingle while debating the route choices of the day. It is a very good way to get involved and meet new people.

We continue to use the computer program for starts and finishes initiated by John Cooper, and managed by John and Matthew Ross, enabling an accurate recording and quick

assessment of results. It produces results in the format required by quick uploading to the website.

Our Facebook page managed by Matthew Ross can also be accessed through the OQ website. He usually manages to put all the courses on the Facebook each week and provides a short commentary.

A very big thanks goes to all the Mid Week organisers, without whom we would not be able to put on such a varied program throughout the Brisbane area all through the year. As usual, everyone of any age is very welcome to attend!

Chris Spriggs - Mid-Week Convenor

Club Reports

Bullecourt Boulder Bounders (BB)

A key feature of the BBB orienteering year has been the steady increase in Club membership, with 46 members residing across the region and beyond. While the Club is based on the Southern Downs, our Inglewood, Toowoomba and Brisbane members were regular competitors at our events and offered invaluable support.

Another highlight of the year has been the multiple opportunities for Club members to develop their O skills. In January BBB members participated in a sprint training day at the University of Southern Queensland. In February they were also involved in a course setting workshop in Toowoomba. Club members took advantage of a Training Camp in March at Camp Leslie. This was followed up by a Mini Cyclones Camp in May and a Junior Camp in June at the same venue, highlighting that the Southern Downs has some of the best bush areas to orienteer.

Unfortunately, the number of suitable areas for events has been reduced over the past couple of years, as properties change hands or become unusable. A new bush map, *Archies* (Warwick), the work of Stuart Watt has helped address this issue. It was made ready for our April event.

MapRun has provided a new opportunity to attract more participants to the sport. In March the MapRun smart phone app was used on the Southern Downs for the first time at Queens Park, Warwick. Many thanks to Rob Crosato for his efforts in organising this event. Following the success of this event, Stuart Watt completed a Central Warwick map suitable for MapRun events.

The Club continues to provide a range of events to challenge existing members and appeal to new competitors. Three sprint and street events centred on Warwick State High School, (a new map), Scots College and East State School (Warwick) attracted good numbers. This

year our OY event was held at Leyburn with around 100 competing. Many thanks to Liz Bourne and David Firman for their hard work in making this a successful event. Other bush events were held at Passchendaele (June), Amiens (July), Woodlands (August) and Rosenthal Creek (September). The year ended with a fun event at Allora.

Again, the Club put up its hand to support the Northern Tablelands Orienteering Club's Christmas 5 Days at Armidale. Despite the extreme dryness and threat of bush fires, Club members successfully ran the Day 4 event. Many thanks to Liz Bourne and Simeon Burrill for all the lead up work. A number of Club members also competed at the Carnival and helped with the set-up of the event, control collection and pulling down and packing away all of the gear used for the event.

The Club continues to engage with local schools. BBB members again helped support the orienteering programme at Scots College and at the combined Granite Belt schools Extended Learning programme at Storm King Dam in November.

BBB members have travelled for State and National Championships. There was a strong BBB presence at the Queensland Championships and the Oceania Carnival.

Younger members of the Club continue to excel with 8 being named in the Darling Downs School team. Jaiden Fidge and Lochlann Hogan were selected in the Queensland School team.

Marion Burrill continued her good work with the Mini Cyclones and was Manager of the Queensland School Team with Simeon Burrill as coach.

At the Club breakup, Ken Laws was awarded the 'Golden Boulder' Award for his commitment to the Club and his success throughout the year.

BBB is in a solid financial position and our financial affairs are well managed. Many thanks to David Flood, our treasurer for all his hard work.

Finally the appreciation of the Club goes to the office bearers, event organisers, land owners and everyone who helped support the Club in 2019.

Doug Wilson - President

Enoggeroos Orienteering Club Inc (EN)

It was another successful year for the Club and its members. The Queensland Champs at Kingaroy in September was the major event hosted by the club during the year. Additionally, the Club hosted 13 Night Nav events, 4 Brisbane City Council events, 3 x Moreton Bay Regional Council events, 9 x EODS events (Enoggeroos Orienteering Development Series), 6 NWDS events and an Ultrasprint (in conjunction with our 2018 AGM). On top of this, Thomas Garbellini was the setter for the Queensland Schools Champs Sprint event and Tony Bryant was the finish Co-ordinator for the entire Queensland Schools Champs. We had quite a successful year on the membership front, with membership growing from 70 members at the end of last year to 79 this year, representing an increase of 13% year on year and making Enoggeroos the fastest growing club in Queensland in percentage terms for the year.

Special thanks needs to go to Tony Bryant for his passion and dedication in;

- Developing the EODS concept and running all 9 events
- Running the 6 NWDS events

As a result, we were able to attract a number of new members to the club which drove the growth in membership numbers.

The club continued to work well with the Sporting Schools program and in addition to the NWDS events, we also worked closely with OQ's School Liaison Officer, Gordon Bossley, assisting him with a number of coaching/schools events.

During the year, a new club running shirt was designed and an initial order has been placed and delivered.

On the competitive side, it was great to see success for a number of our members at State, National and International level.

Firstly, congratulations to Krystal Neumann, who represented Australia in the Bushrangers Team vs New Zealand and at the World Orienteering Champs this year.

Congratulations to Thomas Garbellini who represented Australia in the Bushrangers team vs New Zealand.

Congratulations also to Sara Garbellini, Dylan Bryant, Josh Newnes, Paul Garbellini and Sam Garbellini, who were selected for the Queensland schools team.

And last but not least, congratulations to Jack Neumann who served as Coach for the Queensland Schools team.

There are a large number of people I'd like to thank. Firstly, thank you to Jen Ramamurthy, Fiona Caristo, Lucy Peljo and Tony Bryant for holding positions on the club committee and for the effort and dedication they showed in fulfilling those positions.

Thanks needs to go also to these members who were either organisers or setters for courses this year; Tony Bryant, Rob Rapkins, Sara Garbellini, Dylan Bryant and Josh Newnes

And a special thanks to all the members who helped at the Queensland Champs, including; Krystal Neumann, Laurina Neumann, Tony Bryant, Lucy Peljo, Fiona Caristo, Rob Rapkins, Lynda Rapkins, Jim Bowling, Josephine Garbellini, Thomas Garbellini, Sara Garbellini, Paul Garbellini and Adrian Garbellini. And to all the members who have helped in any way.

We look forward to another successful year in 2020.

Joe Garbellini - President

Multi Terrain Bike Orienteering Club (MT)

2019 has been a productive year for the MTBO Club with a number of new maps, new technological advances and continued focus on quality bike events.

We staged the State MTBO Champs at Killarney with 2 of the 3 event sites across the border in NSW! Utilising the Killarney town map courtesy of BB.Q, Stuart Watt designed his first MTBO Sprint courses over a double map with a change of scale thrown in for added challenge. Riders loved the wide-open golf course, a first for MTBO in QLD, the tricky school grounds and the country catering at the event dinner.

We had great support from the local community groups we reached out to in Killarney and we're looking forward to going back for future events. We were able to negotiate exclusive use of private cattle and camping property at Cullendore High Country, for the middle distance event and with Stuart and Wendy Bell's support, Gavin and Susie Blissner made some challenging courses, utilizing the lightly wooded grazing paddocks along with the bike trails network that the owners have been developing. The long distance event in eucalypt plantation at Legume tested riders climbing abilities, with any poor route choice punishing the unwary.

As well as the state champs, we also supported the State MTBO Series, by running 3 rounds at Pomona, Ningi and Boondall.

Club member Joel Young was again selected to represent Australia at the World MTBO Champs in Denmark and he continues to refine his race craft against the elite riders overseas.

There's still a lot more to be done to promote our sport and club, in an increasingly crowded activities market. But we'll continue to offer quality events to those who join us.

Craig Steffens – President

Paradise Lost Orienteers (PL)

PLQ ran 3 Sunday park events and 2 Sunday bush trail events in 2019, with our usual turnout of 20 to 50 participants per event.

For the second year they have run a weekday event specifically for home-schooled students at the invitation of a local distance education group (One of the parents is a regular participant at PLQ events). PLQ member Robert and a couple of retiree mates set up Warm Up, Very Easy, Easy and 1.9km Medium conventional courses in Pizze Park and also an 8x8 Maze-O. Approximately 24 adults and 49 students of a variety of ages attended.

Our membership is static at 7; the Club is solvent and well-resourced but not very active.

Mark Roberts - President

Range Runners Orienteering Club Inc (RR)

We had better weather for our workshop in February and again combined with Boulder Bounders. Thanks to Jess Rogers and Rob C, as well as our usual sprint events, we offered a series of Night Navs on Tuesday night through February. Attendance was good to start with but dropped off. Thanks once again to continued financial support from Great Southern Financial Services, all course setters and organisers were reimbursed for travel expenses.

Thanks to Dominic for managing the Ultra Mini Cyclones squad which had an enrolment of 28 in 2019. Thanks also to everyone who coached throughout the year, not just for Ultra Mini's, but also Sporting Schools, Sports Expos, the Darling Downs and South West teams and camps - Julia, Nina, Jess, Annette, Ella, Rob, Cameron, Cam, Ollie, Blake, Grant R, Maxine, Stacy, Amber, Will C, Breanna, Madonna and Phil Y.

For the first time in more than 25 years (we can't find a record of the last one), South West School Sport held an orienteering trial. Thanks to huge support from Sean and the staff at Columboola EEC, 29 students participated, with 22 being selected to compete at the Darling Downs trials. This meant that 89 students trialed for DD this year, and a team of 65 was selected of whom 40 were RROC members. A further 10 club members (and 15 total) were invited to participate at the Championships as part of the Red Shirts (Country) team. The really exciting news is that SW School Sport will take their own team straight to the Qld Champs in 2020.

RROC filled more than half the Qld team, with Grant R, Blake, Nina, Julia, Rani, Laura, Ella, Ollie, Eve, Mali and Jack R all being selected in the travelling team. Will C and Sean were named as reserves for the extremely competitive Boys teams. Grant went on to be named in the Australian Honour Team.

In 2013, RROC presented the Double Double Award to 4 youngsters who joined the club that year – 2 sets of twins born 2 weeks apart in 2002. It was extremely exciting to see all four of them named in the Australian team for the Oceania Challenge in Sep/Oct.

Grant, Blake, Nina and Julia have been named in the Targeted Talent Squad for 2020, while Ellie de Jong has been named in the Junior Development Squad – congratulations to all!

This year, our World Orienteering Day celebrations were combined with a weekend club event as the numbers had been well down in 2018. We were again present at the Toowoomba East SS and St Saviours Sports Expos, the TGS Sports day, and ran our usual weekend at Goomburra for the TGS Cadets. We ran sessions for the Highfields Cadets, Highfields SS and the USQ second year teaching students. We celebrated 50 Years of Orienteering in Australia with a sprint event that attracted WIN TV coverage.

The Interschool Sprint Challenge was held on the new Pittsworth SHS map. Rob and I continued our work with the regions in Rockhampton and Cairns, as well as helping to establish the new Adventure Racing club in Mackay, 21Degrees South, that is keen to include orienteering. We continue to work on georeferencing our club maps, and incorporate the use of MapRun at events.

Felicity Crosato - President

Sunshine Orienteers Club Inc (SO)

"Mountain Bike Adventures"

Sunshine Orienteers continued their unique club role of organising both Foot and Mountain Bike orienteering events in 2019.

Sharing the QLD MTBO State Series responsibilities with MT we ran MTBO events at Sippy Downs, Coochin Creek, Beerburrum West, and Wild Horse Mountain. For foot orienteers we ran Park events at Caboolture, Eumundi Markets, Caloundra and Tewantin and Bush events at Coochin Creek, Beerburrum and Obi Obi. We continue to support the Noosa Council "Summer Sports CATI" for local primary students and this year provided a map and orienteering equipment for a school holiday program run by Sunshine Coast Council at the Maroochy Bush Botanical Gardens.

A new event type that has proven successful in terms of attracting entries from people who are not existing orienteers was a six week Night Navigation series. After starting with 23 entrants on event 1 and running out of printed maps on Event 5 we peaked with 45 entries at the final Night Navigation event at Sunshine Beach on 10-December. The trialling of the Maprun format at Park events and mapping contributions by Michael Schafer

and Mark Petrie paved the way for this successful series. We will start our 2019 calendar with summer, Night Navigation.

It's great to see the blue and gold jerseys representing our club in various events around Australia. We discounted the price of the jerseys this year to make them more affordable for club members.

Geoff Moore – President

Toohey Forest Orienteering Association Inc (TF)

At the end of January and the beginning of February we opened the year with two bush night events at Seven Hills and Peggs Lookout. As these started after the end of school holidays the numbers were down a little on previous years. As the club had decided to run less events this year, we did not follow these with any coaching days like we had in 2018.

March is the beginning of our main bush event season. This year we started with a club event at Parkinson organised by Tony and Johanna Tavner-Corner. It attracted a reasonable number of competitors considering Easter was in Western Australia and not many Queenslanders were attending. David and Jenny Schulz were the only TF members to attend Easter with David coming 13th in a field of 31. The following weekend was the Australian Sprint and Middle-Distance Championships (due to Australia hosting the Oceania Championships later in the year) and again the Schulz's were the only TF members to attend.

The Queensland Sprint Distance Championships were in late May (due to Easter being late) on a new map at Gatton. Our representatives in this race were Jenny and David Schulz, Chris, Kate and Mark Nemeth, Judi Hay, Matthew Ross, Reid Moran, Jen Woods and Neil Simson. Reid and Neil were second in their classes while the Jens and David were third in theirs.

The Queensland Middle Distance Championships were in June on a new map at Maidenwell. We had 12 members take part. They produced two 1sts, three 2nds and two 3rds. Our winners were Jennifer Brett and Neil Simson.

July school holidays sees the annual junior camp. This is staged by Orienteering Queensland rather than any one club and we had a significant involvement in the organising with Reid Moran and Neil Simson coaching. The following week was the Fiona Calabro memorial event at Stockyard Creek where we raise money for charity. The Stockyard Creek event was well attended and an impressive amount was raised. Thanks to the Dougalls for organising this event.

In August we staged our most important event for the year being the OY at the Tingalpa Creek map (Longton Court). Key organisers were Tara Dougall (course setter) and Reid Moran (controller). 78 competitors took part. This was followed by the inaugural Rob Simson memorial event at Toohey Forest (Ring Road) at the beginning of September.

Despite being on Father's Day the attendance at this event exceeded all expectations (only 16 pre-entered) with maps running out (we had 80), some being reused and some runners not getting out on a course due to map unavailability.

The following weekend was the Queensland Long Distance Championships which were held near Kingaroy. We had 15 members take part in this 2-day competition. Place getters in their classes were Judi Hay, Neil Simson, Mark Nemeth and Russell Creed (1st), Cate Nemeth, Jennifer Schulz, Pam Cox and Jen Woods (2nd) and Chris Nemeth and Lorenzo Calabro (3rd). The dry and dusty conditions as the drought started to bite were noted by all who attended.

The Oceania Orienteering Championships were held jointly by ACT, NSW and VIC this year with events based at Wagga Wagga for the first part and Wangaratta/Beechworth for the final weekend. Seven members ventured south being the Tavner-Corners, Jenny and David Schulz, Russell Creed, Neil Simson and Reid Moran. Placings were hard to come by in the 1000 strong event including a large team of New Zealanders competing for the ANZ Challenge. Notable results were Johanna Tavner-Corner 2nd Australian Long and Oceania Long, Lorenzo Calabro 2nd Oceania Long, Reid Moran 2nd Oceania Long and Neil Simson in a team with Ben Schulz and Lance Read just missing 3rd in the Australian Relays by 20 seconds.

The end of the year saw us stage a single StreetNav event at Tarragindi using Maprun and the End of Year relays at Stockyard Creek.

The club is now the sixth largest in Queensland (behind BBB & SO) with by far the oldest membership.

Neil Simson - President

Totally Tropical Orienteering Club (TT)

I believe that the 2019 orienteering year has been a strong one for our club. We have offered 18 events throughout the year. We have also maintained the athletes competing in our events. We have had new committee members who have taken on course setting in both the Urban Adventure series, well done Tim McKean and thank you for your effort. The courses were just a touch different with more puzzles and they were well received by the participants.

We have continued to be involved with events from the Lavarack Barracks including the Geckos Easter Egg hunt event and Bush events for the defence force. We have promoted ourselves through the Get Active expo where we discussed what it is our sport involves to the public.

The Urban Adventure series continue to be the most popular events that we host. Thanks to Rebecca Nahrung and Tim McKean who each set 2 Urban Adventure courses. Thank you to Colleen who once again set the course for the Townsville Road Runners at a new location for them at Riverway. Thanks to all who helped out with marking score sheets at Urban Adventure events and a special thank you to John Viney for all his help as a challenge master at Urban Adventure events. We have held two events at the new Northshore map. The competitors really enjoyed the challenge as well as the new area.

We have had some new maps approved from Orienteering Queensland including Bushland Beach, Pimlico High School, Anderson Park, and also having the Mega Map geo-referenced to be able to hold Maprun Mobile App Events in the Future. Rod Gray is looking to complete this for us in the near future.

Once again thank you to all for supporting our events and helping build our great club.

Mathew Smith – President

Ugly Gully Orienteering Club (UG)

2019 has been another successful year for Ugly Gully. The club has been led by an active committee of the following members:

Position	2019 Office Bearer
Management Committee:	
President	Peter Effeney
Secretary	Juliana de Nooy
Treasurer	Ann Whitehouse
Technical Officer	Tim McIntyre
Events Coordinator	Helen Breslin/James Mitchell
Mapping Coordinator	Brenton Gray
Other Positions	
Vice President	Lance Read
Membership Officer	Elizabeth Ferguson
NightNav Coordinator	Tony Howes
Blue Card Coordinator	Linda Burrridge
Events Team Members	Robin Spriggs, James Mitchell

We have also had club members contributing to Orienteering at a State level: Anna Sheldon (Director Technical – OQ), Linda Burrridge (Admin) and Brenton Gray (Mapping).

Membership

Membership is 92, down from 110 last year. We have gained 9 new members (or 8%) but have lost 27 members in 2019, resulting in a net decrease of 18 members or 16%. 13 of the lost members were from 3 families.

Veteran Ugly Gully member Ray Kelly celebrated his 90th birthday at the end of May.

Events

Members of the Club have organised 48 events throughout the year (up from 42 in 2018):

- 32 NightNav events,
- 10 Bush Events including including 4 OY events,
- 6 ParkO events, and
- also convened the Qld Schools Orienteering Champs

Development of the Sport

Thanks to the efforts of our club Secretary, Juliana De Nooy, we've continued to enhance our Ugly Gully Facebook Page, with close to 150 followers.

Coaching

Ugly Gully members carried out coaching at OQ level during 2019:

16 March	OQ Coaching Camp - Leslie Dam, Warwick	Anna Sheldon
4-6 May	Mini Cyclones Camp - Leslie Dam, Warwick	Ryan Gray
11-14 July	Junior Camp- Leslie Dam, Warwick	Su Yan Tay, with assistance from Nicholas Burrige, Winnie Oakhill
27-28 July	Managed the "City Team" competing at Kholo Rd in the Queensland Schools Championships	Brenton Gray

Mapping

It has been a quiet year for mapping but a great year for competing. We ran on new maps at Sandstone Gardens, Maidenwell (Qld Middle Champs organised by UG) and the 2019 Qld Schools Champs organised by UG personnel was on a lovely new map at Kholo with the sprint at Redbank State High School.

Work has continued on a world class map at Broadwater for the 2020 Qld Long Distance championships and there have been various minor updates (eg UQ by Topi). In the next year Slaughter Falls and one or two club maps will get a refresh but with Easter 2021 approaching and a great collection of new bush maps, Ugly Gully is well set for hosting OY level standard events for the next few years.

Thanks to Brenton Gray for his work on mapping again this year.

MapRun

- a successful MapRun Parks series was held in iconic Brisbane parks in March-April.
- approximately 1200 runners per month are using the MapRun App around the world
- MapRun development has been supported by Orienteering Australia and its use was showcased at events and a workshop during the Oceania Championships.

Sporting Performance of Our Members

Our members also had a successful year of orienteering:

Australian Teams

JWOC Team 2019: Caroline Pigerre

Australian Bushrangers team: Daniel Gray

Australian World Cup team (China): Anna Sheldon

2019 Australian Schools Honour Team - Mikaela Gray

Queensland Orienteer of the Year (OY) Awards

Ryan Gray: Orienteer of the Year, (best male junior, best male overall, best junior overall)

Mikaela Gray: Best female Junior

Su Yan Tay: Best female Veteran and best female overall

Greg Chatfield: Best male Super vet (60+)

Jacquie Rand: Best female Super vet

Queensland Championships (Cumulative 2 days long distance results)

Championship Winner	Class
Mikaela Gray	W20A
Meredith Gray	W35A
Wendy Read	W45A
Su Yan Tay	W55A
Jacquie Rand	W65A
Brenton Gray	M21AS

Australian Sprint Championships (Narrogin, April)

Place	Name	Class
2	Greg Chatfield	M70A
3	Su Yan Tay	W55A
3	Robin Spriggs	W70A

Australian Middle Championships (Narrogin, April)

Place	Name	Class
2	Meredith Gray	W40A

Oceania Championships Sprint

Place	Name	Class
2	Su Yan Tay	W55A
3	Robin Spriggs	W70A
3	Ryan Gray	M18

Australian Long Distance

Place	Name	Class
2	Michelle Schulz	W35AS
3	Mikaela Gray	W16A

Oceania Long Distance

Place	Name	Class
1	Mikaela Gray	W16A
2	Meredith Gray	W40A
2	Su Yan Tay	W55A
3	Ryan Gray	M18A

Middle Distance

Place	Name	Class
1	Mikaela Gray	W16A
2	Robin Spriggs	W70A
3	Su Yan Tay	W55A

Australian Schools Individual Championships

Mikaela Gray – 2nd Australian in Junior Girls Sprint

World Rogaining Championships

Robin Spriggs - whose team of 2 won their class in the World Rogaining Championships in the Pyrenees in July

Peter Effeney – President

Orienteering Queensland Life Members

Distribution List

Distributed to the following 2019 Committee Members:

President	Judi Hay
Vice President	(vacant)
Hon Secretary	David Firman
Treasurer	Tony Bryant
Chair Development	Liz Bourne
Chair Performance	(vacant)
Chair Technical	Anna Sheldon

Distributed to OQ Clubs (Presidents & Club Delegates):

Bullecourt Boulder Bounders	Doug Wilson & Liz Bourne
Bundaberg United Scrub Harriers	Keith Grayson
Enoggeroos	Joe Garbellini & David Firman
Far North	Andrew Campbell & Mike Coleman
Fraser Region	Mark Murray
Multi Terrain Bike Orienteers	Craig Steffens
Paradise Lost	Mark Roberts
Range Runners	Felicity Crosato & Rob Crosato
Sunshine Coast	Geoff Moore & Richard Robinson
Toohey Forest	Neil Simson & Reid Moran
Totally Tropical	Mathew Smith & Linda Davis
Ugly Gully	Peter Effeney

Distributed to the following outside OQ:

Qld Government	Dept of National Parks, Sport and Racing
Orienteering Australia - President	Blair Trewin

Available to all OQ Members on the OQ Website (<http://www.oq.asn.au>)

Orienteering Queensland Incorporated
Financial Report
For the Year Ended
31 December 2019

Notes to and forming part of the Accounts

NOTE 1

The accounts are a special purpose financial report and have been prepared in accordance with the requirements of the Associations Incorporations Act (Queensland).

The Management Committee considers that the accounting policies as described below are appropriate to the members understanding of the transactions of the entity during the year and the accounting framework is acceptable in the circumstances, providing a true and fair view of this financial report.

The report is prepared on an accruals basis and is based on historical cost except where stated, and does not take into account changing money values or current valuations of non-current assets. The accounting policies have been consistently applied, unless otherwise stated.

Following is a summary of the significant accounting policies adopted by the Association in preparation of financial statements.

(A) Incorporation

Orienteering Queensland Inc. is officially incorporated under the Associations Incorporation Act 1981.

(B) Income Tax

Generally, by virtue of Section 23(g) of the Income Tax Assessment Act, sporting bodies are exempt from Income Tax. However, should any income tax liability arise in the future such liabilities can only relate to the net assessable income generated from investment or other activities which are not directly associated with contributions, subscriptions or other receipts from members.

(C) Inventories

Inventories, when held, are valued at the lesser of cost or net realisable value.

(D) Fixed Assets

The depreciable amounts of all fixed assets are depreciated over their useful life to the Association. The carrying amounts of fixed assets are reviewed annually by the Committee of Management to ensure that it is not in excess of the recoverable amount of these assets.

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the assets useful life to the entity commencing from the time the asset is held ready for use.

Orienteering Queensland Incorporated
Financial Report
For the Year Ended
31 December 2019

Class of Fixed Asset	Depreciation Rate
Buildings	5%
Computer Equipment	33.33%
Other Fixed Assets	20%

(E) Related Party Transactions

It is noted that there are many related party transactions within the financial statements. These transactions are reported at cost which is at or below expected commercial rates.

(F) Income

Income is recorded when received from Clubs, adjusted for year end accruals. Such income cannot always be authenticated by the Entity.

(G) Expenses

Expenses associated with direct grant funding have been reported by grant category not expense category. Prior year expenses have been consolidated to align with grant expenditure to form reliable comparative figures.

NOTE 2

In accordance with Orienteering Queensland Inc's By Laws (Section 10), the surplus from the National Carnival will be held in a reserve account for future development of the sport.

NOTE 5

Going Concern

The Management Committee believes the organisation will continue as a going concern.

**Orienteering Queensland Incorporated
Financial Report
For the Year Ended
31 December 2019**

Statement by Members of the Committee

The committee has determined that the association is not a reporting entity. The committee has determined that this special purpose financial report has been prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The committee members of Orienteering Queensland Inc. hereby declare that:

The accompanying Financial Statements and Notes to the Accounts of the Association as at 31 December 2019:

- a) Present a true and fair view of the Association's financial position as at 31 December 2019 and its performance for the year ended on that date in accordance with the accounting policies as described in Note 1 of the Financial Statements.
- b) There are reasonable grounds to believe that the Association will be able to meet its debts as and when they become payable

This declaration is made in accordance with a resolution of the members of the Committee, and signed on behalf of the Management Committee.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF ORIENTEERING QUEENSLAND INCORPORATED**

Opinion

I have audited the financial report of Orienteering Queensland Incorporated (the Entity), which comprises the statement of financial position as at 31 December 2019 and the statement of comprehensive income for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and managements' assertion statement.

In my opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Entity as at 31 December 2019, and of its financial performance for the year then ended in accordance with the financial reporting requirements of the *Associations Incorporation Act 1981*.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter – Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Orienteering Queensland Incorporated to meet the requirements of the applicable legislation. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
